MICHAEL DAMSKY CPA, P.C. CERTIFIED PUBLIC ACCOUNTANT

40-3 Burt Drive Deer Park, New York 11729 (631) 595-2073

To the Board of Directors of Parker Financial Corp Highland Mills, New York

Gentlemen:

I have audited the balance sheet of Parker Financial Corp. as of December 31, 2007 and the related statements of income, retained earnings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material aspects, the financial position of Parker Financial Corp. as of December 31, 2007 and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles and the rules of the Securities and Exchanges Commission.

Also, I have examined the supplementary schedules on pages 7 and 8 and in my opinion they present fairly in all material aspects the information included therein in conformity with the rules of the Securities and Exchange Commission.

Very truly yours,

Michael Damsky, C.P.A.

#### NOTES TO FINANCIAL STATEMENTS

#### **DECEMBER 31, 2007**

#### NOTE 1 - ORGANIZATION

Parker Financial Corp. (The Company), a Delaware corporation, is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority.(FINRA). The company acts as an introducing broker and is engaged in proprietary trading of securities. All transactions for its customers are cleared through and carried by a New York Stock Exchange member firm on a fully disclosed basis.

Securities are valued at market value. Transactions in securities and related revenues and expenses are recorded on a trade date basis.

Fixed assets are depreciated over their estimated useful lives using the straight-line method.

#### NOTE 2 - CONTINGENT LIABILITIES:

Under an agreement with its clearing broker the Company is contingently liable for:
-A customer's failure to make payment to the clearing broker when due or to deliver securities sold for the account of the broker or the broker's customer.

- -Failures of a customer of the company to meet any margin call or any maintenance
- -The purchase of customers, until actual and complete payment has been received by the clearing broker.
- -The Company is contingently liable for a settlement agreement signed by the Company's owner.

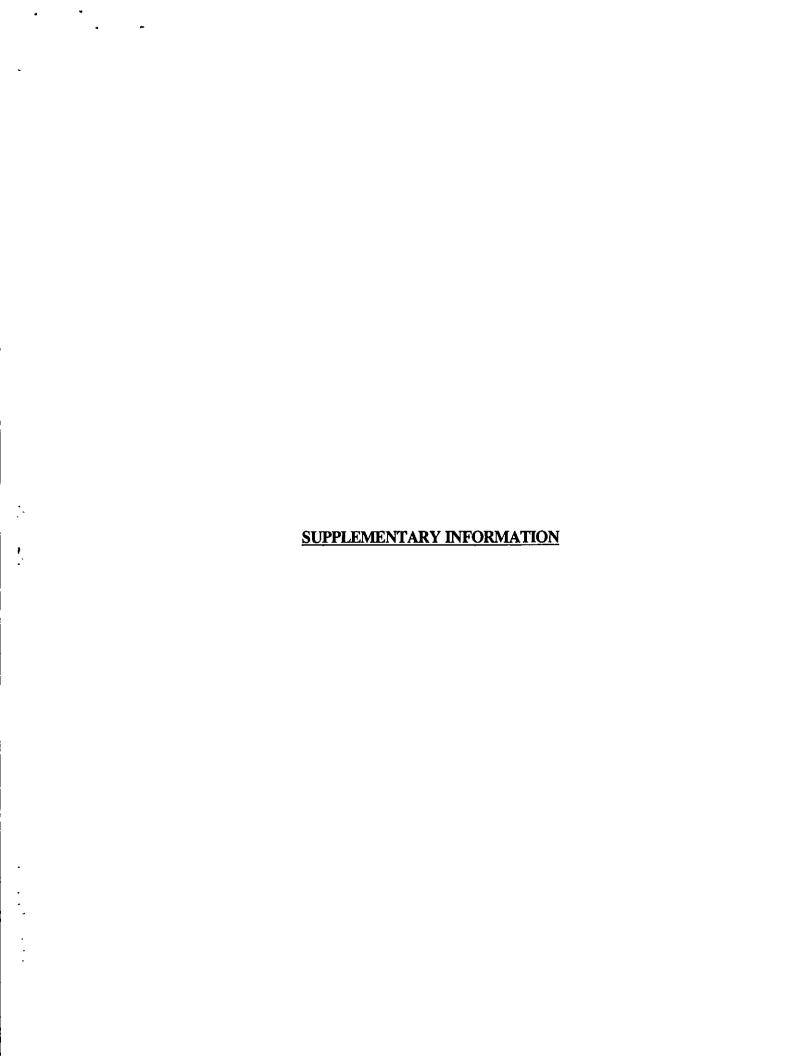

#### NOTE 3 - NET CAPITAL REQUIREMENTS

As a broker-dealer and member organization of "FINRA", the Company is subject to the Uniform Net Capital Rule 15c3-1 of the SEC. The rule requires the Company to maintain minimum net capital, as defined, of 6 2/3% of aggregate indebtedness, as defined, or \$5,000, whichever is greater. At December 31, 2007, the Company had net capital of \$34,340, in excess of its requirement of \$5,000.

#### NOTE 5 - COMMITMENTS:

The Company has an agreement to lease office space under an operating lease expiring on July 31, 2008.

Six Months \$ 2,970.00

#### MICHAEL DAMSKY CPA, P.C. CERTIFIED PUBLIC ACCOUNTANT

40-3 Burt Drive Deer Park, New York 11729 (631) 595-2073

February 18, 2008

Parker Financial Corp. Highland Mills, New York

#### Gentlemen:

I have examined the Financial Report of Parker Financial Corp. as required by the National Association of Securities Dealers as of December 31, 2007 and have issued a report thereon dated February 18, 2008. As part of my examination I reviewed and tested the system of internal accounting control and the procedures for safeguarding customer and firm assets for the year ended December 31, 2007 to the extent we considered necessary to evaluate the system as required by generally accepted accounting standards and by Rule 17a-5g3 of the Securities and Exchange Commission.

Rule 17a-5g3 contemplates that the scope of the review and test should be sufficient to provide reasonable assurance that any material inadequacies existing at the date of our examination in the accounting system, the internal accounting controls, and the procedures for safeguarding customer and firm assets would be disclosed. Under these standards and that regulation, the purposes of such evaluation are to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to provide a basis for reporting material inadequacies in internal accounting control.

Further, my examination included reviews of the practices and procedures followed by the company in making periodic computations of the minimum financial requirements, pursuant to Rule 17a-5(g)(1) of the Securities and Exchange Commission.

The objective of internal accounting control is to provide reasonable but not absolute assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily require estimates and judgments by management. However, for the purposes of this report, the cost-benefit relationship has been disregarded in determining material inadequacies to be reported.

Parker Financial Corp. February 18, 2008 Page 2

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, error can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management either with respect to the execution and recording of transactions or with respect to the estimates and judgments required in the preparation of financial statements. Further projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

My study and evaluation of the system of internal accounting control for the year ended December 31, 2007 which was made for the purposes set forth in the first paragraph above and would not necessarily disclose all weaknesses in the system which may have existed during the period under review, disclosed no material inadequacies.

Very truly yours,

Michael Damsky, CPA
